Hi Laura.

At our face to face meeting we considered your profiles and your report/s. Thank you all so much. You are each so inspiring and we are so gifted by your presence!

We are willing to cover the costs for meeting in 2020 in Mexico in conjunction with the International Grail meeting of young women in the Grail.

We would like to write a short article based on your profiles.

We would like to meet with you via Zoom during our January face-to-face Council meeting. This will give everyone a chance to meet each other as well as to hear from you regarding where you are in your process.

Lucy will follow-up with you as your official liaison in January.

It may be that we would like you to present something at the General Assembly in 2020, which will most likely be the last weekend in October as November 1, 2020 commences celebration of the International Grail's centennial year for its one-hundred-year anniversary on November 1, 2021.

All blessing!

With care and gratitude,

Pamela Cobey
