

Committee Report
Membership Development and Enrichment Committee

Who are the current members of your committee? [Terri Carter, Shirley Piazza, Carol Siemering, and Emily Snyder](#)

Do you have a current chair? Who is the chair? If you do not have a chair, can you choose one, and if so, who? [Our current chair is Emily Snyder.](#)

What have you been working on? [Mentor Guide, Mentoring Qualifications criteria, contacting non-contributing members \(2018\), Creating new sub-committee to address communication issues within the Grail movement, letter sent to Grail council concerning perceived communication issues with Council and Grail membership.](#)

Are there any obstacles to your work that need to be addressed? [None that I really can think of.](#)

Do you have the resources you need to complete your work? [I believe we do. If we need anything additional, we can always ask.](#)

Do you anticipate changes in the membership of your group next year? [I hope not.](#)

Are all committee members able to fully participate? If not, do you have any suggestions to address it. [I believe we are. We recently changed our meeting day to accommodate work schedules. If any of us run into a conflict which prohibits any of us to fully participate, we usually discuss among the committee and determine the best route at that time.](#)
