

- Support the development of newer Grail circles and help to maintain and enrich older Grail circles, where women can gather, learn and grow personally and as a community in relation to some aspect of the Grail's mission.
- Develop and support immersion/training experiences for those who would like to actively support the goal of membership development and enrichment.
- Identify or develop program models that are easily replicable, so that new and existing members can experience community in the context of the Grail's vision and mission. Such programs could take place in Grail Centers, regions or in new locations with the support of the MDE Team.
- Identify like-minded women and organizations to explore possibilities of partnerships and collaboration, especially when "the work" is directly related to our Grail vision and mission.
- Explore with Council how the Grail might call forth leadership for the future.
- Consider ways to respond to and integrate women who wish to be meaningful "Friends of the Grail" ie. volunteers, donors and women who are not yet explorers. Find ways to acknowledge and honor them.
- Report to and communicate with the National Director and the Council

Expectations of Team Members

- Participates in monthly telephone conference calls
- Facilitates and submits notes from monthly conference calls on a rotating basis
- Responds to on line communications, sent among committee members
- Approximate time commitment of usually one to two hours per week
