

The US Grail Council

Vision: Called by our spiritual values, The Grail envisions a world of peace, justice and renewal of the earth, brought about by women working together as catalysts for change.

Mission Goals: The Grail in the U.S. empowers women to work for world transformation by: building bridges among diverse faith traditions and spiritual paths, advancing peace, justice and a world free from military dominance, fostering international exchange and solidarity, challenging economic systems that put at risk the most vulnerable, especially women and children, creating communities for a sustainable future, celebrating the arts as a means for personal and societal transformation

Resolutions: To become antiracist internally and externally viewing all our activities through an antiracist lens. Rebuilding the Grail’s spiritual core in community.
