

2021 GA Planning

The National Office will handle logistics –

Is it possible to come up with “job description” for GA planning – Terrie will look

Have/create list of characteristics for the job of GA planning

It would be helpful if the committee is not too big – 5-6 is ideal number – committee may call for subgroups to do things

Judy Alves willing to manage happy hour or bistro

Judith – figure out assignment that would be appropriate for her gifts

Characteristics of GA Planners

- Knowledge of mission & vision of the Grail as stated/written nationally and internationally
- Organizational skills
- Attendance at previous GAs
- Proficient with electronic communication tools
- Responsive to deadlines – able to set and/or meet deadlines
- Experience in planning complicated multi-level activities or events
- Ability to work with a team
- Openness to different points of view about the Grail
- Able to hear/hold different points of view without judgment
- Willing and able to work diligently with honor and mutual trust for planning and execution of the GA
- In a spirit of transparency – seek and receive input from Council (and members)

Cheerfulness, joy, playfulness with positive approach to the task
