

# Grail Council Monthly Zoom Call ~ MINUTES

## October 27, 2021

### The US Grail Council

---

**Present:** Judith Defour-Howard, Marian April Goering, Thahn Nguyen, Deborah Sullivan

We ran out of time at our 10.22. Council Meeting. This meeting was only to review the Mission Initiatives and to decide which initiatives would be funded in 2022. The Spreadsheet below gives our decision on funding, some require more information and some, UNPFII/GLUNN we thought would be better to fund with Scholarship money.

Unfortunately, Terrie said those funds were restricted and we need to create a committee to oversee and make recommendations to Council. We clearly stated at the meeting that we support that initiative, so we will make the necessary adjustment for funding that Initiative.
