The US Grail Council AGENDA

Vision:	Mission Goals:	Resolutions:
Called by our spiritual values, The Grail envisions a world of peace, justice and renewal of the earth, brought about by racially and ethnically diverse women working together as catalysts for change.	The Grail in the U.S. empowers women to work for world transformation by: building bridges among diverse faith traditions and spiritual paths; advancing peace, justice and a world free from military dominance; fostering international exchange and solidarity; challenging economic systems that put at risk the most vulnerable, especially women and children; becoming an anti-racist Grail and challenging systemic racism in society; creating communities for a sustainable future; celebrating the arts as a means for personal and societal transformation.	To become antiracist internally and externally viewing all our activities through an antiracist lens; and Rebuilding the Grail's spiritual core in community.
